Privacy Policy for Kilimo App

Effective Date: June 2, 2024

Introduction
Kilimo App ("we," "our," or "us") is committed to protecting your privacy and ensuring transparency about how your information is collected, used, and protected.

Information We Collect
We may collect personal information, device information, diagnostic information, and precise location data including latitude and longitude coordinates. Location data may be collected while the app is in use and, where enabled, when the app is running in the background.

How We Use Your Information
To provide weather forecasts, determine local weather conditions, deliver weather alerts, improve services, respond to support requests, and maintain application security.

Background Location Usage
Kilimo App may access and collect location information even when the app is closed or not actively in use. Background location is used exclusively to determine your location, calculate weather conditions, provide accurate forecasts, and deliver weather-related alerts. We do not use location data for advertising, marketing profiling, or selling personal information.

How We Share Your Information
We do not sell, rent, or trade personal information. Information may be shared with trusted service providers, weather-data providers, hosting providers, analytics providers, or where required by law.

Data Retention
Information is retained only as long as necessary to provide services, comply with legal obligations, resolve disputes, and enforce agreements.

Data Security
We implement reasonable administrative, technical, and physical safeguards to protect your information.

Your Privacy Rights
You may access, correct, delete, restrict, or object to processing of your personal information where applicable. You may revoke location permissions through device settings.

Children's Privacy
Kilimo App is not intended for children under 13 years of age.

Third-Party Services
The App may use weather data providers, analytics services, cloud hosting services, and crash-reporting tools that operate under their own privacy policies.

Changes to This Privacy Policy
We may update this Privacy Policy from time to time and publish updates through our official channels.

Consent to Location Collection
By granting location permissions, including background location permission, you consent to the collection and processing of location data (latitude and longitude) to provide accurate weather

forecasts, weather calculations, alerts, and other location-based weather services.
